

As one of the key representatives of service providers for persons with disabilities, EASPD ensures its members a strong voice at the European level, gives the latest news about the policy changes, developments, funding possibilities and other key topics in the disability field, organizes innovative projects and exchanges knowledge and experience.

Together with our members we work towards a social change and empower disadvantaged people to live independent and decent lives.

EASPD, Oudergemselaan 63 Av. d'Auderghem, 1040 Brussels, Belgium.
